

2019 JEM Christmas Fund Raiser in Whitehorse, Yukon

Our appreciation goes out to sister Lois Craig for her successful organization and oversight of the Whitehorse, JEM Christmas fund raiser. We also want to express our gratitude to her assistant Sylvia Neschokat and all who assisted in gathering the assortment of sale items and helped in the set-up and sale activities of this event. The fund raiser was well attended, and all items displayed were sold on a donation basis. Total amount raised was approximately \$1300. which will be used for general budget expenses.

A special thank you to Pastor Norm Hajian and the Nazarene church for allowing the use of the church facilities and their fellowship and support of this outreach event. Brother Norm pastors a very special church family of believers in Christ. His love for the Lord and care for the people is honorable indeed.
