

**JERUSALEM EVANGELICAL MINISTRIES (JEM)
2021 PRESIDENT'S AGM REPORT**

JEM entered its 15th year of ministry in the service of our Lord with the emergence of a pandemic affecting the whole world. We continued our efforts to maintain consistency in our village ministries in the region of San Luis while reaching out into other areas within the northern border of Mexico and with God's covering have not been affected at all with the effects of the pandemic as seen in other areas of Mexico. Our village pastors served diligently in overseeing gospel ministry activities, and through the generosity of our faithful donors and our benevolent US partners, we continued to provide materials and equipment for our churches, essential needs to the poor, supplies for the children, and nutritious food for various feeding programs and several poverty stricken communities as approved by the Canadian Revenue Agency (CRA). Certainly, there have been unique challenges for those on the front line of this ministry, however the Lord has granted His grace and favor to ensure that this ministry continue to flourish in the midst of any and all storms caused by the devastation of the pandemic, socially, economically and of course spiritually.

I want to express my sincere appreciation to those brethren who continue to financially support the ministry of JEM. Their faithful generosity played a major role in enabling us to meet our monthly budgets and maintain our programs and activities in our village churches. I also want to thank our faithful brethren in Somerton and Yuma, Arizona who through Maria's example and encouragement provided food, goods and building materials to relieve poverty stricken families and maintain church facilities. We were fortunate that these donations were maintained this year. May we continue in faith and prayer for the financial and material provision that our Lord abundantly provides for His Will and Purpose in the midst of these uncertain times globally.

Finally, I want to thank Lanny Anderson and Jim Rathjen, our Missions Field Directors, Maria Porchas our Missions Representative/Pastor and our Mexican pastors who organized the "on the ground" activities of the ministry in Mexico and in the US. I would also like to thank Ron Hoepfner and Bob Jennens who serve as directors and support the various aspects of the operation of JEM. Also to Lois Craig, our treasurer, who managed our finances and prepared and submitted our annual financial reports, to Diane Hnatiuk, our recording secretary, who recorded our board minutes and kept record of our written communications, and to Marilyn Young, our bookkeeper, who kept our financial records.

May the Lord Bless You Always,

Douglas Hnatiuk, President
