

Jerusalem Evangelical Ministries March 2024

School activities in Cheke with Nancy supervising the children.

Duche the teacher's assistant working with the children on their assignments for school.

Women preparing food for the school children.

Food supplies to prepare meals recently delivered by the DIF.

Street lights that brother Arnulfo's team installed in front of the Cheke church for added night time security.

Lights installed give the church added protection against theft and vandalism.
